How It Works

#1 Contact us at gifting@murrayscheese.com to connect with a gifting specialist. No gift is too small or big for our team! Have specific needs? Let our team know so they can curate the perfect gift for you.

#2 Fill out our order form and send it back to us. The information you will need to fill out the form is:

- Recipient names
- Full address
- Gift message (300 character maximum)

  Want us to share the tracking and gift message with your recipients? Just add their email addresses, and we'll handle it—without adding them to our mailing list.

#3 Once orders are entered into our system, we'll send you tracking details on the morning of the delivery date with a receipt to follow.

Enjoy!

How Your Gift Ships

Your gift is carefully packed in a decorative gift box with ice packs to keep the cheese cool during the overnight journey. It will be shipped overnight, arriving to your recipient the next day.

Upgrade any collection with an elevated gift box, available for $18.

Murray's Gifting FAQs

How far in advance do I need to order?

We require orders to be confirmed with recipient information, desired gift collection or components, and payment details seven days prior to your desired shipment date. If you need gifts sooner, please contact our gifting specialists to see if we can accommodate your order in a shorter time frame.

What happens if my product is not available?

Due to seasonal availability, supply limitations and quality control, we may need to substitute items within gift selections. We always aim to compose gift selections with alternative ingredients of equal or greater quality.

Can I include a gift message or company card with my order?

We are happy to include a gift message of up to 300 characters including spaces. The gift message will appear on the packing slip that arrives with your gift.

How do you ship?

We ship nationwide! Our items arrive within 24 hours of shipping with insulation and ice packs. Cheese are cut and wrapped for optimal freshness to allow for one to two weeks of storage in refrigeration before enjoyment.
