Prep Directions:

3. Slice the strawberries in half, keeping the stems on.

Assembly Directions:

1. On a round board, place an empty jar at the 12 o'clock position. At the 10-11 o'clock position, create a small fan of **Comte** slices. Place a wheel of **Selles-Sur-Cher** at the 6 o'clock position, and place a wedge of **Bayley Hazen Blue** at the 3 o'clock position.
2. Drape the **Prosciutto di Parma** in a curving line down the center of the board, from the left side of the empty jar down to the right side of the Selles-Sur-Cher.
3. Make three stacks of five **Rustic Bakery Crisps** each and place them standing on their sides, edges facing upwards, around the board—one at the 9 o'clock position, right under the Comte, one at the 1 o'clock position, directly to the right of the empty jar, and one at the 4 o'clock position, directly under the wedge of Bayley Hazen Blue.
4. Create a neat pile of **pistachios** against the line of Prosciutto, and fill the empty spaces above the jar and below the Selles-Sur-Cher with **Marcona Almonds**.
5. Create a pile of **strawberry** halves next to the 9 o'clock and 1 o'clock Rustic Bakery stacks, then fill the empty spaces on the board with an assortment of **Fig Almond Cake** slices, **blueberries**, and **blackberries**.
6. Fill the jar with **Murray's Wild Blueberries Preserves**.
