Prep Directions:

2. Slice the **Genoa Salami** into medium-sized coins. Slice the **Summer Sausage** into medium-sized coins with the casing attached.

Assembly Directions:

1. On a rectangular board, place two empty jars as if on a diagonal line stretching from the bottom left corner to the top right corner, with about 3-4 inches of space from each corner and about 4-5 inches of space between the two jars.
2. Between the two jars, in the very center of the board. Place the chunks of **Gouda** in a semi-circle around the left half of the **Epoisses**, skirting the left jar if needed. In the top left corner, place the wedge of **Brie** and slices. In the bottom right corner, place the **String Cheese**, with the loose ribbons spreading out into the board. Create a pile of **Pepper Jack** cubes wrapping around the right jar and spreading up to the top edge of the board.
3. Create two curved lines or a neat pile of **Summer Sausage** that fills the space between the bottom of the left jar and **Epoisses** to the bottom edge of the board. Drape the **prosciutto** in a pile from the left edge of the board, just below the **Brie**, towards the center of the board.
4. Fill the space at the bottom left corner of the board with **tostones**, and create a pile of **crackers** in the top right corner of the board.
5. Fill the space between the **Brie** and the **Genoa Salami** with **peppadews**. Fill the space between the **String Cheese** and the crackers with **pickles**, and fill the space in the middle with **Spanish Cocktail Mix**.
6. Fill one jar with **Murray's Spiced Cherry Preserves** and the other with **Murray's Whole Grain Mustard**.
