1 ea. 34 Degrees Natural Crisps, 4.5 oz.

GARNISH

Prep Directions:

1. Slice the **Annelies** roughly into small, uneven squares. Remove half of **Harbison's** top.

2. Fold the **salami** into triangles.

3. Break up the **chocolate** into uneven pieces.

Assembly Directions:

1. On a round board or plate, place a small bowl or dish at the 9 o'clock position, about an inch from the edge. Across from it, at the 3 o'clock position, place the **Harbison**. Place the **Gilded Goat** at the 12 o'clock position and create a small pile of **Annelies** slices, stretching from the edge of the board towards the middle.
2. Make a river of **prosciutto** curving diagonally through the center of the board and between all the cheeses, from the 11 o'clock position to the 4 o'clock position. Stack the folded **salami** in three, two-inch wide sections against the edge of the board at the 9 o'clock position (left of the bowl), the 12 o'clock position (behind the **Gilded Goat**), and the 5 o'clock position (between the **Annelies** and **prosciutto**).
3. Line up three **shortbread cookies** against the edge of the board between the salami and the left edge of the **Annelies**, and again against the top edge of the board between the **prosciutto** and the **salami**. Create small, upright stacks of the **34 Degrees Crisps** in the space between the bowl and the **cookies**, and in between the **Gilded Goat** and the **Harbison**.
4. Fill the spaces on the rest of the board with **chocolate chunks**, **strawberry halves**, and **blackberries**.
5. Place a square of **honeycomb** on the empty bowl/dish.
