Fall 2019

## PLATTER OF THE SEASON

### **Fallin' For Cheese Platter** \$145 sm (serves 10-12) | \$175 lg (serves 15-20)

Get ready to cozy up to some of our most delicious cheeses this fall! This platter was designed with autumn in mind, featuring a cornucopia of favorites like creamy St. Mark's and snackable L'Etivaz. Wow guests with eye-catching selections like bold Shropshire Blue and caramelly Aged Goat Gouda, and even our own Cavemaster Reserve Cornelia. It wouldn't be fall without some pumpkin, so we've included a sweet side of Pumpkin Preserves, which pair perfectly with a Fig & Almond Cake and some Rosemary Marcona Almonds. Grab a glass of mulled wine and dig in!
