# THE MONGER'S PICKS

## OF THE MONTH CLUB

### WHAT'S INSIDE

#### Taleggio

Adapted from a recipe dating back to the ninth century, this classic Italian cheese is washed in brine to foster a sticky edible rind. Doughy, elastic, and mildly pungent, with fruity, meaty notes.

**Pair with:** Rosé, Sour Beer

*Elastic / Fruity / Meaty*

#### Champignon Cambozola Black Label

With the slightest hint of blue veining, this mild, spreadable triple-crème cheese is unlike any other. A bloomy, gray-mold rind hides an interior that's rich with toasty, buttery flavors and textures.

**Pair with:** Sparkling Wine, Pinot Grigio

*Sweet / Mushroom / Buttery*

#### von Trapp Farmstead Savage

Despite its name, Savage is actually fairly easygoing. Lovingly crafted by family-owned von Trapp Farmstead, this subtly sweet Alpine-style beauty is bursting with notes of caramelized onion and beef broth.

**Pair with:** Chardonnay, Pale Ale

*Caramelized Onion / Brothy / Sweet*

#### Cypress Grove Truffle Tremor

American cheese pioneer Mary Keehn builds on the flavor of her renowned goat's milk Humboldt Fog by adding rich Italian black summer truffles. The result is a cheese that's mineraly, mushroomy, and irresistible.

**Pair with:** Barolo, Prosecco

*Earthy / Tangy / Fudgy*
